

# YOUR ACTHAR® GEL PERSONALIZED SUPPORT

Your healthcare provider prescribed Acthar Gel for you. Below are some simple actions you can take to help you get your medicine. If you have questions about what to expect from treatment with Acthar Gel, ask your doctor.

## Steps for getting started

### 1. Sign the Acthar Gel patient consent form at [ActharConsent.com](https://ActharConsent.com)

Signing this form makes it easier for the Acthar Patient Support Team to support you and your doctor when working with your insurance company.

### 2. Answer the welcome call or follow the instructions in the welcome text message

Be on the lookout for an important phone call or text message from the Acthar Patient Support Team. The call will come from 1-888-435-2284.

(repository corticotropin injection) 80 U/mL

## A SUPPORT TEAM IS AVAILABLE TO HELP YOU THROUGHOUT TREATMENT

When it comes to your health, having a team to support you can make a big difference. Your **Nurse Navigator** and **Case Manager** will be your partners throughout your treatment journey with Acthar® Gel.

### Your Nurse Navigator\* will:

- Answer questions about your condition and guide you to support resources
- Provide continued support throughout your treatment journey
- Coordinate free training on how to take Acthar Gel

\*Nurse Navigators do not give medical advice and will direct you to your healthcare provider for any treatment-related questions.

### Your Case Manager will contact you to help with:

- Your insurance coverage and approval status
- Options that may reduce out-of-pocket costs

### To get the greatest benefit from your relationship with your Case Manager:

- Inform them of any communications you receive from your insurance company
- Call with questions you have about the insurance process

Your support team's number is  
**1-888-435-2284**
